

**FOR IMMEDIATE RELEASE**

## **SMAC Hosts Holiday Pop-Up Art Market**

*Free admission and children's gift-making workshop*

**BRANSON, MISSOURI, USA, November 29, 2018** — The Southern Missouri Arts Connection (SMAC) is excited to host a Holiday Pop-Up Art Market on December 9, 2018 from 2pm-6pm at The Branson Community Center located at 201 Compton Drive. Unique and handmade gifts from over 15 local artists and craftsman will be available for purchase. Prices range from \$5 to \$100. Visitors can enjoy this unique buying experience and pick up last minute gift items while supporting the local art community.

SMAC will also have artists and volunteers on site conducting a Children's Gift-Making Workshop. While adults are shopping the Art Market, children can create a personalized gift for a loved one on their holiday list. SMAC volunteers will assist children to create a hands-on project. The material cost to participate is \$5 per project. This is an excellent opportunity for children to engage in the spirit of giving by creating a unique gift for family and friends.

Please visit the SMAC Facebook event page and share this event with your friends and family <https://www.facebook.com/events/353878571838669/>.

### **About SMAC**

Southern Missouri Arts Connection is a non-profit organization dedicated to the mission of connecting the arts and the community for the enrichment of all. Our vision is to be the hub of artistic creativity, educational experience, and innovation and partnership for the region, significantly enhancing the quality of life for the entire area.
